

GARV BHATIA

Jaipur, Rajasthan, India | +91 9602503642 | garvbhatia736@gmail.com

SUMMARY

Aspiring Full Stack Web Developer with strong skills in both front-end and back-end development. Have development expertise in HTML, CSS, JavaScript, and frameworks of React and Node.js. Wide skill set in fast-paced environments that include the creation of responsive user-friendly web applications. Committed to applying technical expertise and a passion for coding to make meaningful contributions in the workplace and to grow as a developer.

- **Technical Skills**
Proficient in core frontend technologies, including **HTML5**, **CSS3**, and **JavaScript (ES6+)**, for creating interactive and dynamic web pages.
- Experienced in using **React.js** to build reusable components for efficient and scalable web applications.
- Skilled in designing responsive layouts with **Tailwind CSS** and **CSS frameworks** like **Bootstrap**, emphasizing mobile-first and cross-browser-compatible designs.
- Proficient in using **media queries** to create adaptive web layouts.
- Experienced with **Git/GitHub** for version control, ensuring effective collaboration and project management.
- Knowledgeable in utilizing **browser DevTools** for debugging, performance testing, and troubleshooting layout issues.
- Familiarity with build tools like **Webpack**, **npm**, and **Vite** for efficient frontend development workflows.
- Capable of creating smooth UI animations using **CSS transitions** and **JavaScript** to enhance user experiences.

PROFESSIONAL EXPERIENCE

As a passionate Full Stack Web Developer, I have gained hands-on experience in building and deploying responsive web applications through various personal and academic projects. Key accomplishments include:

- Proficient in HTML, CSS, JavaScript, and modern libraries/frameworks like React for building responsive and user-friendly web applications.
- Skilled in converting design mockups into clean, efficient, and functional code while ensuring cross-browser compatibility and performance optimization.
- Familiar with version control systems like Git for collaborative development and efficient code management.
- Experienced in creating personal projects and contributing to open-source initiatives to strengthen technical skills and industry knowledge.
- Strong understanding of responsive design principles and mobile-first development practices.
- Committed to continuous learning through online courses, coding challenges, and staying updated on emerging frontend technologies.
- Excellent problem-solving abilities, debugging skills, and attention to detail to deliver high-quality solutions.
- Strong communication and teamwork skills to collaborate effectively with designers, developers, and stakeholders.
- Adept at managing time and meeting project deadlines in fast-paced environments.

PROJECTS

1. **Portfolio Website** – HTML, CSS, JavaScript
 - Designed and developed a personal portfolio showcasing projects, skills, and contact information.
 - Implemented responsive design using media queries to ensure mobile compatibility.
 - Deployed using GitHub Pages for accessibility and performance.
2. **Carousel Slider** – HTML, CSS, JavaScript
 - Created a fully functional image carousel with navigation arrows and automatic sliding feature.
 - Utilized JavaScript for DOM manipulation and animations for smooth transitions.
 - Responsive and compatible across modern browsers.
3. **Netflix Clone** – HTML, CSS, JavaScript
 - Built a front-end clone of the Netflix homepage with a modern UI.
 - Designed card-based layout and horizontal scroll for movie categories.
 - Employed CSS flexbox and grid along with JavaScript for interactivity and responsiveness.

EDUCATION

Bachelor of Computer Applications (BCA)
Poornima University, Jaipur 2023-2026

LANGUAGES: English, Hindi.

CERTIFICATIONS & LEARNING

- Frontend Web Development – Ongoing (Self-Learning through YouTube, freeCodeCamp, and other platforms)
- Data Structures and Algorithms in Java – Currently Learning
- Participated in College Web Development Contests

ADDITIONAL

INTERESTS:

Oratory: Passionate about public speaking through effective communication and persuasive speech.

Public Speaking: Interested in the sharing of ideas and opinions before an audience, laying more emphasis on asking and being clear on those ideas or opinions.

Gym: Involved in staying fit and focused on weight lifting with an emphasis on regular exercise and good health.

Listening to Music: Enjoys listening to various kinds of music, mostly in hopes of relaxation and inspiration.

Reading Autobiographies: Mostly interested in the experiences and life stories of great people.

Viewing Documentaries: Interest in watching documentaries is geared towards education and gaining knowledge about a subject.
